2nd towards current interest up to 1906-07

3rd towards principal

This was on the recommendation of the Dy Conr. the same being supported by the Dist Conr.

In para 5 of his letter to the Dist Conr. Mr Wetherall recommends that the balance remaining after meeting the deficit working expenses and interest thereon up to the end of 1907-08 may be credited towards principal of the original loan due by Appaji Gowda instead of towards current interest on the original loan. He adds that the balance remaining after deducting items 1 & 2 mentioned in the G.O referred to will not be sufficient to cover the two instalments of the principal of the original loan which is already overdue since the end of June '07.

The Dist Conr states that the permission granted by Govt to credit the sale proceeds as in the G.O referred to was itself a concession to Appaji Gowda & that he is not prepared to endorse the Dy's recommendation as it might also give rise to similar claims from other members.

Subd to orders with a draft according to the Dist Conr's opinion.

----------&&&&&&&ooOoo&&&&&&&&----------

With reference to your Official memorandum No.8107 dated 31st January/3rd February 1908, forwarding copy of Government Proceedings No.F13726-7/B.3-07-16, dated 29th January 1908, sanctioning the sale of the marginally noted coffee estates belonging to Mr.Kargode Appaji Gowda, and hypothecated to the late Agricultural Bank at Saklespur, to Mr.J.G.H Crawford on behalf of Mr.Brooke Mockett, for Rs.4850/-, I have the honor to state that the Manzerabad Taluk Amildar reports that the sale deed was executed, and duly registered, and the sale proceeds of Rs.4850/- received from Mr.J.G.H.Crawford has been kept in Revenue deposit at the Manzerabad Taluk Treasury pending final adjustment of the same to the proper heads of --- account.

2. On the recommendation made in this Office letter No.40 Ag.B. dated 2nd December 1907 by Mr.K.R.Srinivasa Iyengar, then Deputy Commissioner, it was ordered in the Government Proceedings allu-ded to above, that the sale proceeds should be credited in the following order:-

(1) towards advances of working expences,

(2) towards current interest up to end of 1906-07,

(3) towards principal.

3. Mr.Appaji Gowda in his statement given before the Amildar of Manzerabad Taluk, prays that the entire sale proceeds may be credited towards the principal of the original loan due by him to Government without any portion of it being credited towards interest.

4. Out of the sale proceeds of Rs.4850/- a sum of Rs.2,268-13-6 has to be credited towards deficit of working expences due by him up to the end of June 1907,(no advances for working expences have been since paid to him). The balance remaining after crediting towards this head will be only Rs.2,581-2-6. The amount of current interest on the original loan up to the end of June 1907

due

due by Mr.Appaji Gowda is ₹1563-11-6. If out of the balance of sale proceeds, this item is to be deducted the balance remaining will not be sufficient to cover the two instalments of the principal of the original loan which is already overdue since the end of June 1907.

5. In consideration of a portion of his estate having been sold with a view to discharge a portion of his dues to Government, I beg that you will be so good as to recommend to Government for orders in modification of the proceedings quoted above to the effect that the balance remaining after meeting the deficit of working expences and interest thereon up to the end of 1907-08, may be credited towards principal of the original loan due by Mr.Appaji Gowda instead of towards current interest on the original loan so that future accumulation of interest may be lessened.

6. As the amount now held in Revenue Deposit has to be credited towards the several heads of account before the close of the current official year, I solicit early instructions in the matter.
